3. What products and services will we provide you with?

We do not provide advice or recommendations; however, we will give you information so that you can make informed decisions. We have attempted to prepare this document as straight forward and as easy to understand as possible (in an "easy read" format) but if you have any questions or need any clarification, please feel free to ask us before signing. Remember we are HERE TO HELP YOU. We only offer vehicle dealer guarantees and these are from a single provider, The Motoring Organisation. We offer vehicle funding options from a small number of lenders, not whole of market. We have a sales process to ensure all our customers are treated the same and to try and offer a realistic quotation personal to each customer. We use Evolution Funding soft search system to obtain an idea of your credit score and then use their system to provide you with a quote. If you have a prime score we will propose you to Santander, they do not offer Hire Purchase products instead they offer Conditional Sale Agreements (this means no final option to purchase fee). A copy of our sales process is available to see upon request. We may receive commission from the lenders for

introducing you to them and the amount we receive is available upon request in writing. If you would like to discuss this in further detail, please let us know.
